MAKE MY LIFE INSURED

WHAT IS AN INSURANCE? WHY SHOULD I GET IT?

Insurance:

An arrangement by which a company or the state undertakes to provide a guarantee of compensation for specified loss, damage, illness, or death in return for payment of a specified premium.

Why should I get one?

#1 Medical Care is Expensive 
Unexpected medical expenses, such as critical illnesses and surgeries, can burn a hole in your pocket.

#2 Get it Before It is Too Late 
With early health insurance you get coverage for all diseases later on in life, when you need it the most.

#3 Access to Better Medical Care 
Expensive healthcare procedures and medicines may be beyond your reach without the security of health insurance.

#4 Save Tax 
Payments made towards health insurance premiums are eligible for tax deductions under section 80D of the Indian Income Tax Act.

WHAT IS THE LIFE LABH PLAN? WHAT BENEFITS DOES IT COVER?

What is the Life Labh plan?

Life Labh is a limited premium paying protection and savings plan. This plan provides financial support for the family in case of unfortunate death of the policyholder any time before maturity and a lump sum amount at the time of maturity for the surviving policyholder.

What Insurance does it cover?

Maturity Benefit: If the policy holder survives the term her or she receives a maturity benefit.

Death Benefit: In case a policyholder dies, his or her nominees are paid the amount declared for the insurance

This part is specially devised for the TGES teachers seeking the policy

What are the available term plans for us?

The policy has 3 terms, designed specially for your needs. Each term has different premiums based on the age of the policy seeker. The three available terms are 16 years, 21 years and 35 years. The premium based on the amount agreed upon (Rs. 800000) is provided in the table of the document attached with the brochure.
